The Franciscan Fraternity of the Friars Minors of the Porziuncola in Assisi, in association with “Lo Storico Cantiere” of Marino (Rome), is delighted to confer on you the title of *“Silver Rose - Frate Jacopa 2012 – Female Contemporary Witnesses to Faith, Hope and Love.”* on the site of Santa Maria degli Angeli.

The title takes its origin from the figure of Lady Jacopa dei Settesoli (*attached is a brief biography*) who through her meeting with St. Francis radically changed her life to become a vibrant witness to faith and love.

Each year we choose a female figure who incarnates these values in our time and in this year of 2012 we have chosen you.

The recognition will be awarded on 3rd October after the celebration of mass in memory of the transit of St. Francis and the visit by “Frate Jacopa” to the dying saint.

We thank you for your willing service and we entrust you and your activities to the protection of the Virgin Mary, Queen of the Angels.

May the Lord give you peace!
